Treatise on Citizenship - forgottenbooks.com

This British citizenship, in common, was the germ of their united action, and afterwards became the foundation of a new citizenship, known as American citizenship, on which all citizenship, whether of the United States, or of the States and Territories and possessions subject to its jurisdiction, now rests. And this brings us to the

A Treatise on the Law of Naturalization - Forgotten Books

A Treatise on citizenship, by birth and by naturalization, with reference to the law of nations, Roman civil law, law of the United States of America, and the law of France; including provisions in the federal Constitution, and in the several state constitutions, in respect of citizenship; together with decisions thereon of the federal and ...

A Treatise on citizenship, by birth and - Internet Archive

EU citizenship has served more than just symbolic value the " ... Second Treatise of Government (1689) provided for government to be the neutral arbiter that protects lives, liberty and property, so that people would not live in fear. Jean-Jacques Rousseau's Du contrat social (1762) laid the foundations of political rights based on popular sovereignty. He described the social contract as the ...
