Constitutional Concepts: Crossfire Discussion These conversations among the students are called Crossfire Discussions or Crossfires because they stimulate debate. One of the learning objectives of this exercise is to give students more experience with civil discourse on controversial topics. The students do independent research on their topic ...

The precautionary principle (or precautionary approach) generally defines actions on issues considered to be uncertain, for instance applied in assessing risk management. The principle is used by policy makers to justify discretionary decisions in situations where there is the possibility of harm from making a certain

decision (e.g. taking a ...

Facts matter. Human Rights First, along with dozens of interrogators, intelligence professionals, retired generals, and admirals, know that torture is ineffective at gaining actionable intelligence. Interrogation techniques that respect human rights have a proven track record of success at getting information out of terrorism suspects.
